**APPROVAL OF THE MINUTES OF 5 JANUARY**

The Minutes were accepted with the following corrections: Lynn Deveau should be added to the list of members present at the meeting and Denise's surname is now Arsenault and not Poirier. **NEW BUSINESS**

a) Round Table Discussions:

Stéfan suggested that we could use less paper by not printing the agenda or minutes in hard copy but send them by email instead. However, if someone required a printed copy, they could request this in advance from the President. The Committee agreed to this

b) First Reading of the Policies and Procedures to be established for the CCCL: Paul explained the necessity of establishing policies and procedures for our organization. Suggested policies had been drafted by a sub-committee and were distributed to the members of the committee as a whole. A discussion followed about the suggested draft policies and amendments were suggested. The second draft, with the amendments included, will be sent by email to the committee members for further study.

c) Lyne informed that NIRCA will be hosting a public meeting on April 15 to discuss, among other things, the financial situation of that entity.

d) Alcida reported to the Board on the concerns of the seniors: They would like to have an elevator installed in the Père Leblanc seniors' apartments and the roads kept in better condition; they are concerned about the lack of beds at the hospital caused by the necessity of keeping patients there who should be in the nursing home which does not have space to accommodate them. they would like to have service provided in French by the paramedics; they would like to have personnel from the Department of Transportation come to Chéticamp at least once a week to provide services for renewing drivers' licenses, etc.; and, finally, they have voiced their concerns about the possibility of a large sum of money being spent on installing an airport in Margaree, which they oppose. Marie Aucoin proposed and Perry Muise seconded the motion that a letter from the CCCL be

sent to the Department of Transportation, citing the concerns of the seniors about the lack of service here for the renewal of licences, etc. The motion passed.

### **ADJOURNMENT**
